ABOUT areva

Areva Beverages, a distinguished brand of the J&K Group has been redefining refreshment since 2010. Nestled in Chirapady, Muvattupuzha, Ernakulam, the brand has evolved from modest beginnings into a trusted name synonymous with purity, sophistication, and excellence, guided by the visionary leadership of Mr. Jiyas Chakkungal and Mr. Abdul Kareem.

Every sip of Areva reflects a blend of craftsmanship and innovation. Our state-of-the-art, fully automated facility, featuring imported machinery and cutting-edge processing technology, ensures that every beverage meets the highest standards of hygiene, safety, and taste. From precision filling lines and carbonation systems to advanced water purification and quality control laboratories, our production embodies both technical excellence and meticulous care.

Our professional team, comprising skilled production managers, quality control specialists, logistics experts, and experienced lab technicians, works in seamless harmony to create beverages that delight the senses. Rigorous R&D, microbiological testing, and sensory evaluations guarantee that every bottle delivers consistent quality and refined taste, crafted to resonate with the discerning palate.

At Areva, a beverage is more than a drink, it is a moment of elegance, a celebration of life, and a reflection of your mood. Whether it is our fruit juices, carbonated drinks, mineral water, or club soda, every product is designed to offer refreshment and create an emotional connection that transcends the ordinary.
